MARIO.AVILA@APERTURELLC.COM

EDUCATION

Master of Science in Engineering & Technology Innovation Management, Carnegie Mellon University, 2014

Master of Science in Mechanical Engineering, Carnegie Mellon University, 2014

Bachelor of Science in Mechanical Engineering, Columbia University, 2010

Bachelor of Arts in Management Engineering, Claremont McKenna College, 2009

Mr. Avila is a Senior Financial Analyst with Aperture (formerly Bergman Consulting) with over four years of experience providing litigation consulting, specializing in intellectual property, commercial litigation, and bankruptcy litigation.

Litigation consulting services provided by Mr. Avila include intellectual property damages assessments, lost profits, quantification of economic damages, shareholder disputes, and business valuations. Mr. Avila has performed services for clients within a wide range of industries, including telecommunications, electronics, computer hardware, manufacturing, medical, automotive, insurance, transportation, cybersecurity, and cloud infrastructure, amongst others.

Previously, Mr. Avila was an investment analyst with the private equity firm Bryant Stibel specializing in investment analysis, market research, and due diligence. Prior to that, he served as a financial & diligence analyst at Lockton Insurance Brokers for five years. In addition, he's developed broad experience in venture capital completing fellowships with Alumni Ventures Group and Vamos Ventures.

Mr. Avila received his Master of Science in Engineering & Technology Innovation Management from Carnegie Mellon University, his Master of Science in Mechanical Engineering from Carnegie Mellon University, his Bachelor of Science in Mechanical Engineering from Columbia University, and his Bachelor of Arts in Management Engineering from Claremont McKenna College.
